BANGLADESH

MODEL TEST AND CLASS TEST

2nd model test of P.S.C. students began on 23 October and finished on 30 October. 14 students attended this exam. 4th Class Test of the school began on 16 October and finished on 24 October. Total 108 students attended the test. All the students are now preparing for the final exam.

SCIENCE FAIR

On 3rd October the Ashulia School of HOPE organized Science Fair. The fair started at 10 am. Some teachers discussed about the Science Fair in front of the students in the hall room. Students were divided into 7 groups and each group had 5 members. All the groups prepared interesting projects. The students visited

those projects and learnt many things. Total 117 students were present in that program. The judges visited the projects and named the winners. We gave scientific books as first prize among the winners. The other participants were also given prizes.

Story of Shanta

Shanta is a regular student in this school. She came from the district of Jamalpur. She got admitted in class VI. Now she is 10 years old. Her father's name is Shajahan and mother's name is Kanchonmala. The family consists of 4 members. Her elder brother reads in class eight.

Her mother works in a garments factory. Her father is a laborer. Their family income is about TK 12000 (USD 154) per month. Shanta does her household activities regularly. She also completes her lesson regularly.

Shanta came to know about HOPE from her neighbor. She is serious in her studies. She tries to participate in all activities as per curriculum.

Her favorite hobby is playing game and also singing. Cricket is her favorite game. Besides, she likes to watch television. She also like to hear song in her leisure time. She wants to become a doctor in future.

Total Students- 137 (boys- 72, girls- 65)
