## WORLD ENVIRONMENT DAY

On 5<sup>th</sup> June Jamgara School of HOPE observed the World Environment Day. All the teachers and the students were present in the program. The main slogan was “Join the race to make the world a better place”. The main speaker was the Head Teacher of Jamgara School of HOPE. The program started at 2.00 pm. There were different types of program. At first, all the teachers and the students saw a video about the environment pollution and how to solve it. All the students learnt many things from the video. After finishing the video, the main speaker gave his valuable speech about the environment. All the students listened his speech carefully. Then all the students and the teachers participated in tree plantation program. They planted some fruit trees.

Students planted some trees

## MID TERM EXAM

From 12<sup>th</sup> June to 29<sup>th</sup> June Jamgara school had their Mid Term Exam. This exam is mainly written exam. Additionally some students sat for the practical exam also. All the teachers participated in question paper making work last month. They prepared about 200 different types of questions. Before Eid vacation, students finished their exam successfully and they are very glad about it. After the Eid vacation, the class will resume on 10th July.

It's exam time

## Success story of Mintu Kamal

### 1 BACKGROUND

---

Mintu Kamal is a School teacher at Jamgara area. He lives with his parents. He is a married person and has a son. As a school teacher, it is difficult for him to maintain his family of five members. That is why he was doing a small tailor shop business. But he could not do anything about tailoring. He hired people to do work for him. That was not cost effective for him.

### 2 IN INDUSTRIAL CENTER OF HOPE, ASHULIA

---

Then he learnt about Industrial Center of HOPE- Ashulia from one of his school students. He learnt three months basic tailoring course and 3 months advance tailoring course. Now he believes that he has become a successful tailor master. He is glad about the training quality of the center and the course was affordable for him also.

### 3 DEVELOPMENTS

---

Now he can do all kinds of cutting and stitching works as a tailor master. This is very much cost effective for him. He understands the business in a better way now. As a result, his work order has increased a lot. So, he is hiring more people for tailoring work. That's how other people are also getting benefitted from him. His profit margin and financial solvency in the family also increases.

### 4 CONCLUSION

---

He is planning to expand his business more and more. Overall he is grateful to HOPE for this technical training facilities.

**Total Student (School) - 244 (boys- 117, girls- 127)**

**Total Student (VTC): 292; Computer & Spoken English- 33 (School student- 150), Tailoring- 24 (School student-16), SME- 40 (School student-29)**
