Success story of Mohsinur Rahman

The home district of Md. Mohsinur Rahman is Jhenaidah. He completed his Higher Secondary education from Jhenaidah.

In 2009, he came to Dhaka for Graduation. He admitted at Degree Pass Course in Dhamrai Govt. College. In 2014, he started learning merchandising course at BUFT. But there he faced problem as he didn't know how to operate computer. Without any knowledge of computer he couldn't study there perfectly.

So he lost his confidence day by day.

In that time he heard about computer training course in Jamgara School of HOPE from one of his friends. He started three month Basic Course in HOPE Computer Training Center. After successfully completing this course, he gained vast knowledge of operating computer, typing and MS Office package. This training helped in his study and computer related work. After this training, he started to face job interview.

This skill development program of HOPE, helped him to be a skilled worker in this competitive job sector.
