FRUIT PARTY

Annual Fruit party was arranged by Jamgara School of HOPE on 18th May, 2017. It was an excellent program. The day was sunny. All the students collected various kinds of local fruit such as mango, jackfruit, banana, litchi, watermelon, rose apple etc. We arranged the fruits and we processed it to eat. After lunch we served the fruits among the students. It was a fun to eat various kinds of fruits. Next we arranged a game show “eat as you like”. Primary students took part in that game show. They felt very excited to take part in that game. High school students arranged a fashion show with fruit. It was funny & enjoyable. We closed our program at 4.00pm and students went to their house with joyful mind.

Games during the fruit party

DEBATE CELEBRATION

On 30th May 2017, Bangladesh Youth First Concern (BYFC) arranged a debate competition. Our school participated in that competition. Our opponent was Buds School and College. It was held at Buds School and College campus. We went there and won the competition and qualified for the quarterfinal round. Best speaker was also selected from

Jamgara School. We hope, students will do well in future debate competition also.
